

ENHANCES MOOD AND FOCUS

IGNITES THERMOGENESIS

INCINERATES FAT CELLS

6 HOUR ENERGY BLAST

ARE YOU READY FOR THE HEAT?

HEAT HARDCORE consists of 3 Physique altering Heat Stacks which are designed to synergistically work together to create the most powerful fat metabolizer in the universe!

Heat HARDCORE ACA Stack™ with Thermo RX is perfectly formulated to enable the body to heat up fat cells so they are metabolized in to an extreme energy force that enables your body to literally melt away fat. You will not only feel the Heat but you will also decrease fat in those hard to reach areas Including your Abs, Hips, thighs and buttocks.

Heat Thyrogenic Blend™ is perfectly balanced to increase the output of your thyroid to increase metabolism, and also control your appetite to further speed up the fat burning process. It will also ensure you are in a great mood the whole time by helping to balance out serotonin levels!

Heat Bioabsorption Blend™ blend enhances the actions of the **Heat HARDCORE ACA Stack™** and the **Heat Thyrogenic Blend™** by guaranteeing that the nutrients are absorbed 25% more efficiently into your body and utilized properly once they reach your blood stream. This will increase the length of time your body experiences thermogenesis thus **making this formula at least 25x more effective than any other fat burner on the market.**

Suggested Use:

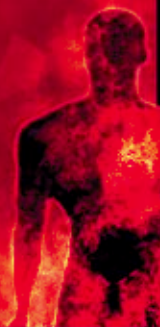

For Best results take 1 Serving in the Am on an empty stomach and 1 serving before your mid day meal. For advanced Fat burning take an additional capsule 20 minutes prior to cardiovascular activity. Take in conjunction with **Heat Tone-a-Lean™** *

WARNING: Consult your physician before using this product. Not intended for use by individuals under 21.

This product contains caffeine. Do not use or combine with other dietary supplements. Do not use if you have or are being treated for prostate hypertrophy or cancer, heart, liver, cardiovascular, kidney or thyroid disease, high blood pressure, low hdl, taking antidepressants, MAO inhibitors, prescription drugs or any over the counter prescription drugs containing ephedrine or pseudoephedrine.
